Field Trips

We offer field trips at the end of every term. A field trip is a visit to an area outside of the normal classroom where students try new things, have different experiences, and learn valuable life lessons. Orlando has countless locations where students can see new sights and have hands-on opportunities in a wide variety of experiences.

FIELD TRIPS PROMOTE AMAZING EXPERIENCES

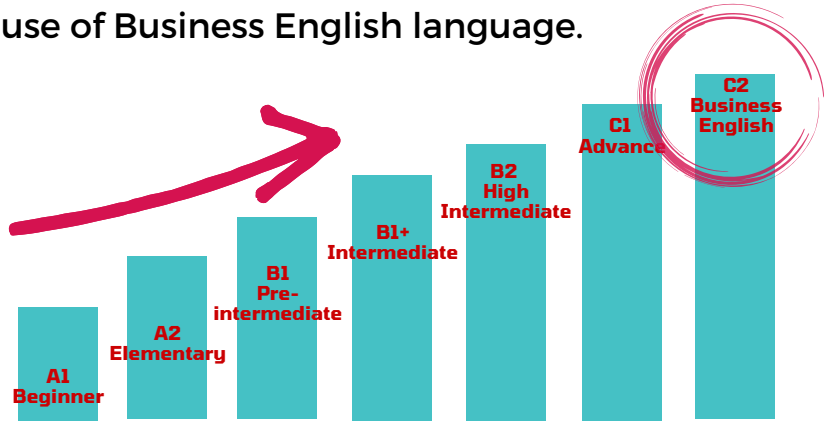

- Gather with students from different YOUSA locations and classes.
- Visit engorging places where mostly locals go.
- Have the opportunity to interact with American people and learn a little bit more about their culture.

Business English

Designed to equip advanced C2 level students and introducing them professional linguistic skills!

This course focuses on near-native language pertaining to Business English. Students will learn more idiomatic commands of English, both in speaking and writing. They may perform effectively and efficiently in situations involving working experiences, tentative language and problem-solving skills. C2 Level will enhance students overall ability to produce a more natural, sophisticated and diplomatic use of Business English language.

TOEFL IBT Prep

Thinking of studying at a college or university in the United States? Taking the TOEFL® is a necessary step for any non-US educated student who wants to study in North America. The TOEFL test measures your ability to communicate in English in colleges and universities and is accepted by 7,000+ destinations in more than 130 countries.

In the TOEFL® exam, you will be tested in the four skills of English, writing, listening, speaking and reading.
We will provide you with a very comprehensive TOEFL® preparation study focused on techniques and strategies on how to master the components required by the test.

The TOEFL® iBT Test Preparation course has been set up to be taken by F-1 students who have already completed our academic advanced level C1 or as a private course. It prepares students to achieve competitive scores on the TOEFL® iBT by focusing on test-taking strategies. Students gain confidence and improve their skills through practice questions and diagnostic tests.
